

GOODMAN OAKS CHURCH OF CHRIST CLASS CARE GROUPS

We need one another. Our shepherds have organized our church family into Bible Class Care Groups that address this need we have for each other. The shepherds welcome the consistent face to face time that they have with many in their Class Care Groups and enjoy watching the members grow together. Classes are growing and the increased involvement of members in our weekly studies is an encouragement to those who work hard to present exceptional lessons. Our Class Care Groups are centered on hearing a word from the Lord in Scripture each Sunday morning.

Our Class Care Groups are **the first responders to the needs of the class members**. Each class spends time sharing concerns and needs and bowing together in time of prayer. More than that, our members are taking responsibility for reaching out to care for one another within that group. Each class has a communication system to alert one another of family emergencies and prayer requests to stay in contact. When tragedy strikes, when sickness occurs, when joys are celebrated, the Class Care Groups want to be the first to share the important moments of life together.

Building relationships is another vital component to our Class Care Groups. Our church is a family but our large, weekly family reunions in worship can be intimidating to a visitor or new member. It can be easy to become a wallflower. Our Class Care Groups, however, are the place to begin building relationships. By spending time each week studying and praying with other individuals and families in your life stage, you can feel connected to a supportive community of believers that will be your forever family. For example, classes are meeting regularly to share meals together in fellowship, spending time with one another during the holidays, at special times during the year, and taking weekend retreats.

Our Class Care Groups want to be cities set on the hills (or plains?) of DeSoto County by their **acts of service**. Class Care Groups have been taking care of their own, visiting hospitals and preparing meals for families. Other classes have tackled projects around our church facilities. Some classes are active in our mission work and supporting children's homes. There is an incredible amount of ministry taking place that most are not aware of because it is done quietly in love.

If you are currently not attending a Sunday morning Bible class we encourage you to become involved in your Class Care Group. Become an active part of this body as we seek to serve and glorify God and to be His hands and feet in DeSoto County and beyond.

Grace & Peace
Derek
