

THANK YOU, JANE & JERRY

When I think of
Jerry and Jane Winstead
I think of Paul's words to Philemon,
*I have derived much joy and comfort
from your love, my brother & sister,
because the hearts of the saints have
been refreshed through you.*

Philemon 7

Since 2014 Goodman Oaks has been deeply blessed by the tireless work of two servants, Jerry and Jane Winstead. Their works of service are simply too numerous to list. Many have been done in secret without fanfare or applause.

Jerry and Jane were heavily involved in our TLC group. They supported and were involved in missions, both national and international. They were the facilitators of our funeral ministry, both in organizing the funeral meals for families when Goodman Oaks members passed away, and by taking the bus to funerals.

Jerry and Jane were eager to visit the hospitals whenever our members were there, to offer words of comfort and prayer. Anytime we had a fellowship event that required kitchen activity, you could be sure to find Jane busy at work. Jerry is a gifted woodworker, and he always found time to do wood repairs in the building, or take on special project whenever it was needed. That's a lot, and I know it's not everything they did.

The recent changes in Jane's health have necessitated major changes in both Jerry and Jane's life. It has also necessitated Jerry to step down from serving as an Elder at Goodman Oaks. To Jerry and Jane, we want to say **thank you**. Thank you for your many years of selfless service. Thank you for your Christ like spirit. You are in our hearts and in our prayers.

To Jerry and Jane let me evoke God's blessing of **Numbers 6:24-26** upon you,

The LORD bless you and keep you;

The LORD make his face shine upon you and be gracious to you;

The LORD turn his face toward you and give you peace.

Grace & Peace
Derek

The contribution we collect **today**, will be portioned out in two different ways. The first portion will go to the **Williams Sullivan Elementary school** in Durant, MS. They had extensive damage after the past storms and tornado. We will be partnering with other disaster relief platforms to help support them as well.
